Dear fellow Members,
How lucky we have been in New South Wales, with the relaxation of Covid restrictions and consistently low infection rate in our community! Nevertheless, we have had to cancel many events on account of the rules around gatherings.

We were fortunately able to hold the W.O. Birthday lunch at the Bowral Brasserie in Bowral on 20th September, which was a great

success. We filled the restaurant, and from my observations, a great time was had by all those attending including a number of new members, notably Greg Newton and his family. Unfortunately, we were not able to mingle due to the Covid restrictions, but Rita Barbagallo still managed to raise \$4,000 for our favourite Charity, the Children's Hospital at Westmead. They have told us that we are the most generous motor club who supports them, so hats off to you all!

The October General Meeting at the Royal Automobile Club went ahead with approximately 20 members, all suitably seated & spaced. It was evident to me that we were all delighted to have the opportunity to get together and to catch up after having to conduct the April, June & August meetings by way of Zoom. The meeting was held in the Harbour Room on this occasion and there were some noticeable improvements in the catering, which we have been working on with the management of the RACA. There was the usual bonhomie and fun evident on the night. Please take on notice that the dress standard at the RACA requires a collared shirt, preferably

with jacket & tie for all future events. Polo shirts & T-shirts are not acceptable & will not be allowed admittance. The ladies all appear to know how to dress, so no more needs to be said.

I am delighted to announce that Shannons have come on board as an advertiser in our magazine, and have also offered to host future events at their new HQ, once the current restrictions will allow. A big thank you to their team for their support!

Our membership numbers remain consistent, with retiring members being replaced by new members, who bring a new level of enthusiasm & diversity to the Club. From what I hear around the traps, we are one of the happiest motoring club/group of car enthusiasts.

Membership renewals are due by the end of November, and Alan Wellington has sent you all reminders to pay the modest \$95.00 fee. Please ensure that you have these paid before the Christmas dinner, especially as it is a requirement of the Conditional Registration Scheme in NSW. I wish you all happy & safe motoring, and look forward to seeing you at our next event.

Editor's Note

It is with great excitement that we have our final Magazine for 2020.

This edition is packed with events from October including our General meeting, the W.O. Bentley Birthday Lunch, Charity Dinner with Club Member Donna Bailey, and our Annual Polo Day which this year included our Club Concours. The latter event was particularly enjoyable, and the photos will show just how successful the day was despite the Bureau of Meteorology predicting terrible weather. Nonetheless, the sun shone,

the horses galloped along and the picnics came out, all resulting in a fun filled day on and off the field.

Some of you may have noticed that in the Member Profile section of the September/October edition, the last answer from Coralie was identical to that of Keith Wherry in the July/August edition. This was an unfortunate error and we offer our sincerest apologies to Coralie. To address this unintentional oversight, her final question and answer have been published at the end of my Editor's Note.

You will notice that the Programme of Events doesn't contain any events past December this year. At the next Committee meeting in November, your Committee will put together a proposed Events Programme and will publish it in the first edition for 2021. Arrangements for the Annual General Meeting and Christmas Dinner are underway. Please keep a lookout on our Club Website, Facebook Page and in your e-Mail

inbox for final details for this event. I trust you are all well and safe and look forward to seeing you at our next Event in December.

If you could own any car in the world, what would it be and why?

Probably a Rolls-Royce Silver Ghost, although one really does need a man around to assist with the maintenance. Fortunately, Ed has a splendid collection of 20 antique cars, as they call them in the USA, so I'm currently spoiled for choice..

"NO ONE KNOWS YOUR PASSION LIKE SHANNONS."

The passion, the pride of ownership, the sheer emotional attachment – no one understands it better than Shannons. So when it comes to insurance for your special car, daily drive, bike or even your home, there's only one person you should talk to – a fellow enthusiast at Shannons. And remember, you can pay your premium by the month at no extra cost.

So call Shannons for a    quote on **13 46 46**.

Alan Wellington and Bentley.

Part III: Memorable Trips.

Words and Images by Alan Wellington, November 2020

During our time in the UK we did not seek out or attend any ex-pat haunts in London. Our social time, being spent entertaining relatives and friends from Australia and the US, so there were numerous trips to Heathrow to pick up visitors that usually arrived at 6.00am on any morning. The trip there would take 30 minutes and if on a week day, two hours for the return journey home in London traffic.

We found that our most enjoyable time was attending the events and functions of the South East Region of the Bentley Drivers Club. We were welcomed into their circle even though we were Australians and it was always a delight to catch up with the group whether at Noggin and Natter evenings, summer garden parties or on the planned weekend events. On several occasions, we would visit Sue's cousins, one in Edinburgh and the other on the Outer Hebrides. The trip to the Outer Hebrides was a 2-day trip

with an overnight stop usually in a B&B in Uig up in the north west corner of the Isle of Skye so that we could catch the departing ferry for the 2-hour crossing to Uist. The return journey was dictated by the ferry timetable so the return trip took 2 days to arrive back in London.

The Le Mans Classic

We went on a Club organised trip to the Le Mans Classic event. We drove to Dover, leaving home at around 6am, to catch the ferry to Calais and then drive to our accommodation in Saint- Leonard- des- Bois, a 30-kilometre drive to the circuit. We arrived in the afternoon and met up with the other members and relaxed waiting for the group dinner in the hotel. The dinner was delightful and as we had a long day all went off to retire for the evening knowing that we had an 8.00am departure to the circuit in the morning. We set off in convoy heading to Le Mans travelling through small villages

along the way with the locals out watching the passing parade. We had been assigned a club parking area close to the circuit which made our arrival reasonably stress free. Everyone then established their camp near their cars and enjoyed the racing and other a.

There were events happening in the evening at the circuit but most decided to return "home" and have a dinner stop on the way. Over dinner it was decided that we were all enjoying each other's company that we would forego the trip to the circuit on Sunday and just enjoy a relaxing time around the hotel. By the time we had arrived back in Saint-Leonard-des-Bois we were informed that the club had won the Club Trophy and it would be presented during the day on Sunday. So back to the circuit with our cars to attend the presentation of the magnificent trophy. It was another day for socialising with our fellow members. The pictures tell the story.

On Monday morning we all left to return to the UK, some setting out for their ferry trip from Cherbourg and others off to Calais. All agreed that it was a most enjoyable trip. We returned again for the 2010 event.

The Jewel That is Jordan 2008

After seeing an advertisement in the UK Bentley Magazine, we decided to join a group planning a 2-week trip to Jordan.

Our car was picked up and taken to Southampton 8 weeks before the event started to allow for all the cars to be transported to Aqaba in Jordan, including one of the 6 original drophead 8 litre Bentleys. We followed by air to Amman and then a charter flight to Aqaba where we collected our cars from the port and made ready to depart on 2 weeks of driving around Jordan. There were 24 cars at the dock so after collection just after lunch, we went back to our hotel and gave them a wash. While in

Aqaba we were loaded onto a bus and taken out to the Wadi Rum to view the landscape, TE Lawrence Falls (no water) and a parade of a Jordanian Army patrol on camels. In the evening we all met for dinner and enjoyed the meal and the opportunity to meet our travelling companions.

We left Aqaba in convey the next morning with a police escort that would accompany us for the whole trip. We headed to the Dead Sea where we stayed at the Movenpick Hotel and Spa which would be our base for a few days. From here we drove out to nearby attractions on each day, and enjoy lunches locally and return to the hotel in the afternoon to freshen up and continue socialising over dinner. This was the formula for the remainder of the trip.

We saw most of the historic sites including Petra, the Roman ruins in Jerash, Madaba, Mt Nebo, the site on the Jordan River where Jesus was baptised, and some of the castles in different parts of the country.

We travelled on to Amman where we enjoyed an afternoon tea with the British High Commissioner who had invited the Australian Ambassador to join us. We also enjoyed a visit to the King's stable, his personal car collection and an evening Gala Dinner hosted by the King's sister and sister-in-law. We were introduced to the two Princesses at the start of the evening, both were fans of the television show "Neighbours" and wanted to know the latest developments in the soap. We could not help them as we had never seen an episode of the show.

After this we travelled back to Aqaba to deliver our cars back to the dock for transportation back to the UK. During the trip the financial crisis hit causing considerable concern for most of the touring party, but we found the trip a most memorable one. Even our police escort enjoyed it as they were forced to keep up with the crazy W.O. owners who could not resist the open roads and I saw 100mph on my speedo a number of times keeping up with them.

We flew from Aqaba to Amman and then on to London and the car arrived at our doorstep 6 weeks later.

W.O. Birthday Lunch.

Celebrated at the Bowral Brasserie, Southern Highlands.

Words by Gregory May, Image by Athena Will & Cameron Blinman, September 2020.

ABOVE: lunch at the Brasserie.

It was a chilly Southern Highlands day, but that did not keep our members away, who were undoubtedly keen to get out of town for our first real time Club event since the beginning of the Covid-19 restrictions.

We filled the restaurant with around 40 or so guests and John & Noel provided a delightful atmosphere with a team of helpers to deliver scrumptious fare to us all. The general feedback from Members was that the meals & attention by the staff was outstanding.

Although we were not able to mingle as usual, we welcomed the return of Greg Newton and his wife Liz to the Club, who were accompanied by Geoff & Sherry Mahony on the day.

Rita Bargbagallo worked her magic with lucky door prizes and auctions to raise an astounding \$4,000 for the Children's Hospital at Westmead. The Hospital has advised Rita that we are the most generous motor club benefactors of the Children's Hospital, for which they are truly grateful. So congratulations to you all for your contributions, with special thanks

to Michael Kennedy for his most generous purchase of the main auction prize.

From my observation of the day, there is no doubt that when our Club members get together there is always a great atmosphere and much merriment.

Gala Club Events

Polo Day including Club Concours 2020.

At Richmond Lowlands, NSW.

Words by Salvo Barbagallo, Images by Athena Will, Rita Barbagallo and Chris Poulos, October 2020.

What a day. The Bureau of Meteorology had predicted rain all weekend, but they got it wrong, again.

It was such a beautiful warm, sunny Sunday, all day. The Bentleys rolled in all morning, and lined up for the judging of the 2020 Concours. The BDC Trophy Master, Graham Lawrence, had everything arranged, and all went smoothly. Greg Newton's stunning Cloud convertible drew admiring looks all day, looking like it had rolled straight out of the factory or showroom.

Chris Poulos tried to smuggle his Cadillac Coupe in amongst the English cars, but was forced to move aside. Meanwhile, Joe Quattrocchi and Antonia had set up their picnic table and yummy wares, right behind his red Bentley sedan, and watched (and listened) to Chris's approach. Sam and Alana arrived resplendent in their bright white Bentley Continental GT V8, holding them in comfort, along with their very relaxed new puppy purchase.

Keith Wherry and Marie Harland arrived in their sparkling black Bentley Mulsanne, with many admiring its immaculate interior. Mike Mulvihill & James Wallman

set the standard for the Bentley Cup, with their picnic table, chairs and candelabra, and entertaining our illustrious President, Gregory May.

Coralie Ogle parked her stunning Peacock Blue Corniche leaving space for the anticipated arrival of the Barbagallo's, and shortly Rita & Salvo arrived with friends, and established Camp Barbagallo with the help of Giorgio & Maybelline. Up went the marquee, drop-sheet, camp chairs and the usual extensive banquet and massive esky. Rita is always prepared to feed the multitudes, and this day was no different. The minestrone and coffee were bubbling away on the gas burners, while the sausages were heating on another. Maybelline brought Moroccan Chicken with rice and an array of other appetisers. Stephen Blundell arrived a little late, but with sufficient invitations, joined the group, and helped share Rita's feast.

Shortly after, Garrath arrived with Suzie in the iconic Bentley ute, and immediately erected the Bentley marquee and banner. All was set for a nice relaxing day with friends.

The Higgins Family had arranged the entire event, and presented all of the other trophies, and again made the Bentley Drivers' Club NSW, welcome guests, which we appreciate greatly.

BDC's resident fashionista, Rita, gave a well-received speech to congratulate the weekend's winners as she presented them with the Bentley Trophy for the Bentley Cup. Rita bonded quickly with Peter Higgins and his daughter, Belle Higgins, they became fast friends. Rita asked if Belle could get the winning Polo Team to sign a polo ball used in the last game to secure the Bentley Cup. We will have this mounted for use in the next auction, to raise further funds for the Westmead Children's Hospital. The Higgins Family were most gracious, and we had a number of in-depth discussions about Bentley, Rolls-Royce and the Polo. This really made our day. What nice, humble people. We learned so much about Polo and the captain of the winning team, as well as meeting many other polo players applauding the presentations.

A great day was had by all, with a new Bentley experience and memories being made.

ABOVE: Bonnie, Rita and Keegan.

Charity Dinner

Donna Bailey

Dine with Rita and Sal Barbagallo.

Words by Donna Bailey, Images by Salvo & Rita Barbagallo, August 2020.

I bought this dinner experience in the "Christmas in July" Auction, at Bundanoon 2019.

Every Bentley Dinner is an exciting event where the conversation is a highlight, however when the auction for 'Dinner with Rita' was announced I knew it was an opportunity that I did not want to miss out on. In the end not one but three of us on that night were lucky enough to be winning bidders, and this became the highlight of my evening.

Never having experienced 'Dinner with Rita before', it was a long-awaited excitement for myself and my family. I knew it would be an occasion to remember with fine dining, my family around me and a glass or two of good wine.

I attended with my friend Ian, daughter Tahlia with her boyfriend, Simon, and my son Dallas with his girlfriend, Bec.

Once we arrived and settled in, it was lovely to be provided with a special pre-meal cocktail, while we enjoyed the beautiful vista of unimpeded waterviews. This allowed us to commence our luncheon on a high note which set the mood for the meal ahead. And what a meal it was. I had purchased a nine course degustation menu, but Rita upped the ante, by delivering ELEVEN courses; and they were not small portions as in most degustation meals.

Once seated at the table we realised that the manner the table had been set was with care for

detail and a level of class that is seldom seen. The abundance of personal memorabilia and displays surrounding the table provided a homely atmosphere that provided talking points throughout the meal.

My favourite dish of the evening had to be the Organic Calabrese Meat Balls with a Traditional red tomato sauce with French Chervil Parley. This was definitely a melt in your mouth flavourful dish that I would look for in a restaurant.

Guests comments on the views and food and drinks:

Donna - "A memorable occasion that I would recommend, if given the opportunity to experience, the excellent food while dining in an exquisite location"

Tahlia - "The chocolate Mousse was amazing"

Simon - "Working in the Hospitality industry I appreciate fine dining when cooked at home"

Dallas - "Who knew water views here were as nice as the Northern Beaches"

Bec - "First time I have ever had Zucchini Flowers with a Fig Glaze and they were just mouth-watering."

Ian - "Not really into fine dining but this experience has made me change my mind"

If this Degustation Dinner was offered at a charity auction in the future, I would strongly recommend anyone who has not experienced this, to put their hands deep in their pockets, to support the Westmead Children's Hospital, and have a sensational evening to boot.

Thanks again for such a memorable occasion.

Donna Bailey

MENU #1 for BENTLEY DEGUSTATION DINNER

Mushroom Soup, with 8 types of mushrooms, including dried chantellerelle, porcini, fresh Swiss brown, Enoki, Shiitake, oyster, button, flat black mushrooms, alfalfa & onion sprouts.
